ABOUT

An exquisite, richly carved Italian wooden bench from the 19th century with upholstered seat. This antique Italian Baroque style bench, circa 1880, features elaborate carvings throughout its back and skirt in a shell, acanthus leaf, and floral motif, with swags and scrolling accents. The knuckles and feet all terminate into gentle scrolls. This sofa bench is raised upon six cabriole legs which are braced with two X-style stretchers. The stretchers are both decoratively carved with the same motifs. The seat has been newly upholstered in a neutral Belgian linen. This Italian sofa bench, from the 19th century, is sure to be a show-stopping piece of eye candy for your entry foyer, living room, or bedroom! less
