ABOUT

This beautiful decorative Plate is made out of ceramic, and is in good condition. This plate has wonderful design; it features a beautiful illustration of a lady, interesting patterns decorating the piece, and an overall highly charming theme. This Plate was made in England by Royal Doulton, a fine ceramics company, as part of their classic Seriesware, and is stamped as such on the bottom of the plate, see pictures. The writing on the face of the plate reads: Old English Sayings / A thing of beauty is a joy for ever, see pictures. Please see the photo of the measurements for size/scale. There are some minor imperfections on the bottom of the plate as well as some minor spots on the face of the plate, see pictures. This plate would make an excellent piece of decoration for any shelf, cabinet or wall. The condition of this plate is secure and sturdy, there are some aging imperfections/scratches here and there due to its age and as part of its wear and tear, see pictures.
